Capturing the aspects of framing and mounting, "Keepsakes" are individually made, commemorative plaques showcasing your story or advertisement in The Virginian-Pilot or Pilot Media publication.

A high resolution reprint is applied to a durable wood composite board, then topped by a UV-filtering satin laminate to protect it (eliminate the worry of yellowing newsprint). These stunning pieces are bevel-edged in your choice of colors and are ready to hang. No framing or matting needed.

Less expensive and more durable than framing, Keepsakes start at \$33.99 (includes tax, shipping and handling). Prices are dependent on the size of your article and the size of the finished piece you choose. We can produce custom sizes up to 24"x36".
